Dualit

espressivo

Why not make Dualit your very own kitchen barrista? The Espresso is designed for the coffee enthusiast, with every element crafted to deliver the ultimate coffee; from a smooth espresso to a dense velvety latté. It is packed with user-friendly features, such as the self-priming 15 BAR pump delivering the ideal pressure for the perfect 'crema' and the Thermobloc water heating system providing hot water and steam instantly. The easy to use steaming and milk-frother, makes perfect foam for your cappuccino every time with the minimum of fuss. Because it's a Dualit, it's as hard working and reliable as it is stylish.

Features:

- Self priming 15 BAR pressure pump
- Ready to go in less than 40 seconds
- Thermobloc (water-heating on demand)
- Instant hot water and constant steam
- 1.5L removable water tank
- Easy froth nozzle makes perfect foam
- Dualit quality stainless steel and cast aluminium body
- Extra cup height clearance - fits mug size
- Large cup warming plate
- Pop-up drip tray full indicator
- Three coffee options: single serve, dual serve and ESE pod
- Accessory holder keeps pods and froth nozzle to hand
